

**Your support of the Trolley Run makes a direct and meaningful impact in the lives of blind and visually impaired children and families who receive services from CCVI (Children's Center for the Visually Impaired). 100 percent of your partnership dollars go directly to CCVI programming and students like Emrie and Conner.**

This brother and sister duo share a lot, including a diagnosis of Bilateral Microphthalmia, which means their eyes are abnormally small and have anatomic malformations.

**Emrie** joined the **Early Intervention Program** at the very young age of one month and continued into the **Preschool Program**. She accomplished a lot in her five years with CCVI including reading and typing Braille; knowing her cardinal directions and exploring with her cane; and jumping and balancing on one foot. She also became a social butterfly. She graduated from CCVI in July 2018.

Her brother **Conner** began receiving services from the **Early Intervention Program** when he was a few months old. Now two and half years old, he is in **Classroom 6** two days a week. He continues to make great strides, literally! Before he started attending preschool, he could not walk independently. Now he's cruising the hallways of CCVI, exploring his environment with his friends.

As one of only eight schools in the country that serve children birth to school age who are blind or visually impaired, we know our presence in Kansas City makes a difference. We are serious about giving the right help at the right time in the right way. But this does not come without a cost. **The average cost to educate a child at CCVI is \$40,000 and all of our students benefit from some level of scholarship.**

With your generous giving, you help provide the chance for all of the children who are blind or visually impaired at CCVI to see their possibilities and reach their highest potential.

PARTNERSHIP BENEFITS:

**PREMIER PARTNER – \$10,000+**

- All the benefits of a MAJOR PARTNER **PLUS**
- 3 additional complimentary teams (15 teams total)

**MAJOR PARTNER – \$7,500+**

- Opportunity to include an offer in the Virtual Race Bag, provided to all participants the week of the run

Each year, CCVI must fundraise two-thirds of its annual budget to keep the doors open. As the school's largest annual fundraiser, Trolley Run brings in critical dollars and has a long history as one of Kansas City's most loved road races. Over its 30 years, the Trolley Run has become one of the largest timed four-mile runs in the United States.
