Description:

As a player, former hurler Jim Bouton did nothing half-way; he threw so hard he'd lose his cap on almost every pitch. In the early '70s, he tossed off one of the funniest, most revealing, insider's takes on baseball life in *Ball Four*, his diary of the season he tried to pitch his way back from oblivion on the strength of a knuckler. The real curve, though, is Bouton's honesty. He carves humans out of heroes, and shines a light into the game's corners. A quarter century later, Bouton's unique baseball voice can still bring the heat. --This text refers to an out of print or unavailable edition of this title.

Review "...the new fifty pages...is extra special. It is...the most moving, the most significant part of the book." -- *Dick Schaap*

"...vibrant, funny...To call it simply a 'tell-all book' is like describing *The Grapes of Wrath* as a book about harvesting..." -- *Jim Caple, sportswriter*

"A great book, wildly entertaining, worth reading every two or three years." -- *Rob Neyer*

"The new epilogue alone is worth the price of the book." -- *Frank Deford* --This text refers to an out of print or unavailable edition of this title.
