Description:

About the Author Larry Correia is hopelessly addicted to two things: guns and B-horror movies. He lists his occupations: gun dealer, firearms instructor, accountant, and writer, and is part owner of FBMG (Fuzzy Bunny Movie Guns) a company specializing in firearms and movie props. He shoots competitively and is a certified concealed weapons instructor. Larry resides in Utah with his very patient wife and family. He has also designed a special patch for the agents of Monster Hunter International, Inc. As he puts it, "If you don't look good while you're killing stuff, then you're not really a monster hunter."
