REGRETS ONLY

At thirty-three, Suzanne Hamilton has it all. A successful party-planning business with an elite client list. A swank condo in a hot Atlanta neighborhood and a close group of friends - especially her longtime best friend Marci. A list of men a mile long who have tried to win her heart and failed. Plus, she's just landed the event that will take her career and social status to the next level. What could she possibly have to regret?

Then a freak accident changes everything, and Suzanne discovers that her near-perfect life is just a

With nothing else to go on, Suzanne follows him into an unexpected job and unfamiliar territory. Soon she will question everything - her career, her past, her friendships, and even her own dating rules.

But when her catalog of past relationships turns into a list of criminal suspects, she is faced with the horrifying possibility that she may not live to regret any of it...
