A masterful, high-yield guide to the treatment of substance abuse issues, *The ASAM Essentials of Addiction Medicine* equips you with the expert know-how you need to provide effective help for your patients. Derived from *The ASAM Principles of Addiction Medicine, 5th Edition* – widely hailed as the definitive comprehensive clinical reference in the field – this companion resource presents the collective wisdom of hundreds of esteemed authorities on the art and science of addiction medicine. Yet, it does so in a succinct format that will appeal to specialists seeking a more streamlined, quick-access reference source.

- **Find the authoritative answers you need** on everything from the pharmacology of addiction through diagnosis, assessment, and early intervention; various forms of addiction management...treatment of individual patient populations; management of intoxication and withdrawal; pharmacologic and behavioral interventions; recovery programs; medical disorders and complications...co-occurring addiction and psychiatric disorders; pain and addiction; children and adolescents; and ethical, legal, and liability issues.
- **Contribute to public health in the area of addiction** thanks to a special introductory chapter entitled “A Public Health Approach to Prevention: The Health Professional’s Role.”
- **Easily switch back and forth** between the *ASAM Essentials* and the parent text thanks to a parallel chapter organization.
- **Zero in on the most important, practical information** thanks to highly focused, efficient coverage.
- **Maximize your understanding and retention of vital concepts** with the aid of key points summaries, review questions, and suggested readings in each chapter.

Now with the print edition, enjoy the bundled **interactive eBook edition**, offering **tablet, smartphone, or online access** to:

- **Complete content** with enhanced navigation
- A **powerful search** that pulls results from content in the book, your notes, and even the web
- **Cross-linked pages**, references, and more for easy navigation
- **Highlighting tool** for easier reference of key content throughout the text
- Ability to **take and share notes** with friends and colleagues
- **Quick reference tabbing** to save your favorite content for future use
